

The Nutman Company USA, based in Wisconsin for over 27 years, offers **wholesale** products for use as amenities and for sale in gift shops, wine bars, microbreweries, casinos and more. These products can also be used as pillow favors, for gift/wine baskets, and a variety of other ways. We provide superb products, packaged fresh when ordered, in clear cello bags. Our offerings include a wide variety of chocolates, nuts, fruit and nut mixes, snack mixes, and candy. We package onsite, in our health-coded facility, and all our bags are labeled with ingredients and nutrition information. With over **200 products**, there is truly something everyone will enjoy.

In addition to over 200 products, we offer a variety of bag sizes from which to choose to fit your business needs. You can choose from 4, 6, or 8-ounce bags, or we would be happy to discuss custom sizes. For instance, you could order two caramels in a bag as a party or pillow favor. We can create a **custom** label for your products, displaying your name, a special message, and/or your logo. We can also add a barcode and/or price to the bag. There is a \$30 set-up fee to create a custom label, however, the fee is waived with an initial order of \$200 or more. All we require is a black and white graphic submitted via email as a .jpg or .bmp and we will create your **custom** or personalized label.

Our company will label, package, and ship your products within two weeks of the order placement. All products are packaged fresh when you order. Nuts and snack mixes have a shelf life of 5-6 months, while chocolates and candies have an average shelf life of 7 months or more. During holiday seasons, order turn-around will be within three weeks of order placement, with some exceptions, weather depending. In warmer weather, products ship in coolers to protect chocolates and candies. We ship to the continental United States only. Initial orders must be paid using a credit card – we accept Visa, Mastercard, American Express and Discover. Other payment methods may be discussed when you email or call to discuss your order and label design.

You can view the enclosed pricing information or visit our website ([www.nutman.com/wholesale/](http://www.nutman.com/wholesale/)), where you will also find testimonials from current customers. We require a minimum order of 36 bags for your first order, consisting of at least six different products (six bags of each), and a minimum of 24 bags for reorders (six bags of four products). We also offer a few sample products of your choosing, as well as a sample label, before you decide what works for your company. We would love to begin working with you to provide for all your gift shop, retail, and amenity needs.

Please see the reverse side of this letter for examples of custom labels and gifts.

We are a service-oriented company, quick and efficient at what we do: providing quality nuts, snacks, and chocolates. We have 48 years of national experience serving hotels, resorts, gift shops, coffee bars, and wineries. We look forward to the opportunity to work with you.
