The start and ending dates of your fundraiser event and the date when you are expecting to receive the product. We need at least a three week lead time from the time you place your order to the time you either pick up the order at our retail store, if you live locally, or receive the order via UPS. We ship within the continental United States.

The Fundraiser Product Summary Sheet included in the packet lists the product cost to YOU. If you subtract these prices from the Suggested Retail Price on the Order Form, you will see your profit per bag. The average profit per bag is \$3.75 to \$4.50.

The suggested retail price we have on the order form can be changed – there is also a blank order form included in the Fundraiser Packet for your convenience. Shipping your order will add on anywhere between .40 to .50 cents per bag. It is up to you whether you wish to recoup the shipping. Adding an additional .40 to .50 cents per bag should be sufficient to accomplish this.

Call or e-mail for additional copies of the order forms and photos (limit 50). We are delighted to be of service to your organization! **Payment is required at the time the order is placed. There are no exceptions. We accept Visa, MasterCard or American Express. No checks or cash please.**
